26th June 2026

HEADTEACHERS MESSAGE

What a week it has been! First and foremost, I would like to thank all of our children and staff for their patience, resilience and good humour as we have coped with the exceptionally hot weather. The high temperatures have certainly presented some challenges, but everyone has adapted brilliantly and continued to make the most of the week. On Monday, we were delighted to welcome Sowerby Music for Life, who led a wonderful whole-school folk music workshop. The children thoroughly enjoyed learning new songs and experiencing some beautiful live music. This week also saw us welcome our new Reception starters for their taster session. It was lovely to meet the children and their families, and we look forward to welcoming them properly into our school community in September. Our Year 5 and 6 pupils also benefited from an invaluable CPR training session delivered by St John Ambulance. Learning these life-saving skills is such an important experience, and we are very grateful to the team for giving their time to work with our children. Whilst we were naturally disappointed to postpone Sports Day due to the extreme heat, the safety and wellbeing of our children and staff must always come first. We are very much looking forward to celebrating together next Friday instead and hope the weather will be kinder to us! Finally, we rounded off the week with a small Celebration Assembly this morning. It was a joyful and uplifting occasion, recognising the many achievements, efforts and successes across the school—a lovely way to end what has certainly been a hot and sticky week!

EYFS

visit our class link

This week in EYFS we have continued to learn about islands. We have looked at some of the physical features of islands and have made our own island maps. In maths we have been learning about prepositions and describing where things are places. The reception children enjoyed some time in Class 1, getting to know their new classroom, and the nursery children have enjoyed meeting the children who will be joining them in reception in September.

Class 1

visit our class link

We have had a great week in Class 1. The highlight being when we made our car garages. Everyone showed fantastic designing and problem-solving skills and all groups built some fantastic layered garages with ramps and supporting columns. We have also planned a follow-on story for Noi and his Dad to meet the Storm Whale again and are looking forwards to writing our stories next week.

Class 2

visit our class link

Class 2 have had a busy week. A huge thank you to Mr Chisolm for teaching the class while Mr Duffy has been in EYFS. In English, we researched and wrote biographies of famous people. In maths, we began exploring statistics and different charts. We also investigated how farming changes with the seasons and welcomed Year 2 for a successful transition morning.

Class 3

visit our class link

Class 3 have had a fantastic week. They learned valuable first aid and CPR skills with the Yorkshire Ambulance Service and finished Chapter 10 of Who Let the Gods Out. In English, the children wrote imaginative reviews, showing excellent editing skills. In maths, Year 5 have excelled with negative numbers, while Year 6 have been revising shape, position and direction, including coordinates in all four quadrants.

CELEBRATING OUR SUCCESS! STARS OF THE WEEK

Reception

Wyatt - Mr Duffy commented on your mature attitude, and how helpful and kind you are to others. We are so proud of you Wyatt!!

Class 1

Violet - for working so hard on her garage, solving problems and making the materials really work for what she needed them to do. Super DT skills Violet!

Class 2

Daniel - as he has had a fantastic week and Mr Chisolm was very impressed with his attitude to learning. Well done Daniel!

Class 3

Polly - for her amazing work in the run up to the play. She has been amazing when it comes to making props and learning so many of the dances. Well done Polly!

VALUES AWARD

This week, Polly nominated **Harriett** for **Friendship** because she is always a pure delight, helpful and kind. Great job Harriett!

FRIDAY CELEBRATION ASSEMBLY

The gate at KS2 side of the school will open at **2.40 pm**.
We look forward to welcoming you.

KEEPING CHILDREN SAFE AROUND WATER

Please find on the links below two important safety communications from North Yorkshire Fire & Rescue Service.

Keeping Children Safe Around Water- focuses on helping parents and carers speak to children about staying safe around water, highlighting key risks such as cold water shock and providing simple, potentially life-saving advice like "float to live." [🔗](#)

School Leavers and Water Safety- The second is aimed at school leavers, offering practical guidance to support them as they gain independence, with key messages around water safety, wildfires, and road safety to help them make informed and safe choices. [🔗](#)
