

<p style="text-align: center;">Intent</p> <p>We believe that languages are for life. The study of a modern Foreign Language is an important part of our curriculum and cultural enrichment within school. The Children will have opportunities to develop their French speaking, reading and writing and to apply these skills in different contexts</p>	<p style="text-align: center;">Implementation</p> <p>Through a whole school approach of I do, we do, you do we follow a clearly sequenced and progressive program of study as set out by the NYCC French scheme, including sound files to help develop pupils' pronunciation. We ensure there are opportunities for written and oral practice of the language skills taught in our lessons and through repetition, rhyme and recapping we embed the knowledge taught.</p> <p>In KS1 initial words and rhymes are practised during the week.</p>	<p style="text-align: center;">Impact</p> <p>By the time our children leave school they will have:</p> <ul style="list-style-type: none"> • A passion for French and learning languages • The ability to work constructively and productively with others, within a defined time frame. • To develop an understanding of culture and history of France. • To confidently apply their written and oral French skills. • Pupils enhance their physical development and wellbeing. <ul style="list-style-type: none"> • Discover new interests.

<p style="text-align: center;">How children with additional needs are supported</p> <p>Where required, lessons and resources are adapted and scaffolded to ensure every learner can access every topic in our French offering. TA support and word banks are available to children.</p>	<p style="text-align: center;">How more able children are challenged</p> <p>Through higher level questioning. Encouraging children to ask questions about what they are learning. Independently dig deeper to further their knowledge.</p>
