## Headteacher's Message

Headteacher: Mrs K Lacey

Thank you to everyone that was able to attend our Easter assembly at the village hall this afternoon. It was lovely to welcome you and share Class 2's excellent acting skills. I am so proud of all the children that took part and I am sure that you will agree it was a fitting end to a busy term. A big thank should also go to our wonderful year 6s who worked this afternoon as assistants helping the younger children walk safely to the village hall and supporting them with their singing. It is always lovely to see how responsible and helpful they are and what positive role models they can be.

Today we said a staff goodbye to Bernadette Ward, who as many of you know has been running our school office so efficiently over the last term. Our school owes her a huge debt of gratitude, stepping in as she did to fill the void while we recruited. I know that you will join with me in wishing her well for the future, but don't be surprised if you see her again occasionally, she enjoyed her time with us so much we will struggle to keep her away. Enjoy your cruise Berna! All that remains is to wish you all a very Happy Easter holidays and to remind you that we return to school on Tuesday 22<sup>nd</sup> April.

## What have we been learning this week?

### EYFS

[Link to website class page](#)

This week in Early Years we have been learning all about Easter. We have been on an Easter egg hunt to read and write words with special friends. Nursery have searched for eggs with representations of the numbers 1-6. We have practised our cutting skills to make Easter cards. We all enjoyed making Easter nests, melting chocolate and mixing in cornflakes.

### Class 1

[Link to website class page](#)

Class 1 have had a fantastic week making their own books all about Bob and all of the things that he does every day. There were a lot to remember! In maths the year 1 children have completed their work about capacity and the year 2 children have begun learning about fractions. In our history lesson we recalled all of our learning about the moon landings by writing an information plaque for a statue of the astronauts and in our Science lesson we showed everything that we have learned about materials by sharing our key facts with our partners. It has been a great week showing how much we have learned this half term.

### Class 2

[Link to website class page](#)

This week in Class 2 we have been working hard to prepare for our Easter production. Everyone has done a great job in learning their parts to put the production together and we hope you all enjoy it. In PE this week we showcased our tennis skills that we have learned with Mr Sherwood. In History we looked at the impact of the plague on Medieval Britain and in Science we began our new topic on light. We hope you have a fantastic Easter Break.

### Class 3

[Link to website class page](#)

Class 3 have had a busy week this week with more Year 6 preparation for SATs and a lot of time playing on their field and enjoying the sunshine. The whole class enjoyed a trip put into the village to visit the war graves on Monday morning. They spotted regiments, religions and ages and were fascinated to find out more about how war graves were commissioned.

## Stars of the Week

## Celebrating our Success

<b>EYFS</b>	This week the star is Rafi. Rafi has made super progress in all areas, especially his maths and reading cvc words.
<b>Class 1</b>	The star for this week goes to Jace because he has been such a whizz at writing this week. He has written all about Bob the Man on the Moon all on his own and done a great job. Keep up the great work Jace!
<b>Class 2</b>	The Star this week goes to Polly. Polly is always setting a fantastic example to those around her, she works hard, has a smile n her face and is supportive of other members of the class.
<b>Class 3</b>	The star of the week this week is Alex S for the excellent effort he has put in this week in listening and concentrating in class. Well done Alex.

### Attendance this week

EYFS	Class 1	Class 2	Class 3
97.37%	94.29%	98.99%	97.63%

### Safeguarding

Attached this week is a Wake Up Wednesday guide to 'Creating family rules for using devices'.

### Sporting Influence

Attached this week is termly Sporting Influence newsletter written by Mr Sherwood.

### School Vision and Values

I wrote to you a few weeks ago about collecting parent/carers views around updating our school vision and values. We would very much appreciate your input, so if you would like to be involved and have your say then please complete the following form

<https://forms.office.com/e/8Gw29eD5CN>

The PDF that it refers to is attached to the newsletter email.
