What do we aim to achieve this year?

In 2026/27 our focus will be to strengthen our ability to meet the needs of our school community

Attendance and behaviour To further strengthen our approach for behaviour support reflecting our school ethos	Personal development and well-being To ensure that our personal development programme is coherently planned and suitable for our children	Early Years To further strengthen the achievements of our EYFS children through effective use of individual assessment	Leadership and Governance To further deepen understanding of the school's context and make a positive impact on areas for development
