

<p style="text-align: center;"><b>Intent</b></p> <p>To teach memorable and enjoyable music lessons where children learn to love music and talk confidently about music. To give every child the opportunity to play a musical instrument.</p>	<p style="text-align: center;"><b>Implementation</b></p> <p>Use of the Charanga scheme to ensure full coverage of the national curriculum objectives. Whole class teaching of musical instruments by specialist teachers and by class teachers.</p>	<p style="text-align: center;"><b>Impact</b></p> <p>Children enjoy and can talk about music. Every child has had the opportunity to produce music and to perform in front of others.</p>
---	---	--

<p style="text-align: center;"><b>How children with additional needs are supported</b></p> <p>Pre teaching and extra practise time. Supported during lessons with accessible resources and adult support if needed. Extra practise to learn and understand music related vocabulary.</p>	<p style="text-align: center;"><b>How more able children are challenged</b></p> <p>Opportunities for extra practise or to join a small ensemble group to perform more challenging pieces of music. Giving children the opportunity to compose their own music and perform to others.</p>

<p style="text-align: center;"><b>The focus in my subject this year is:</b></p> <p>To improve the extracurricular opportunities for music within school. To find more musical performance opportunities and to share our music making in school with the local community.</p>	<p style="text-align: center;"><b>Monitoring plans for my subject this year are:</b></p> <p>Music lessons learning walk, pupil voice. Review of music videos of lessons saved on sharepoint</p>
---	---

<p style="text-align: center;"><b>Previous improvements and impact</b></p> <p>Implementation of saving videos of parts of lessons from the beginning and end of units in particular so that progress within units can be seen.</p>	<p style="text-align: center;"><b>Current improvements</b></p> <p>Improving performance opportunities for children. Introduce more musical extra curricular opportunities.</p>	<p style="text-align: center;"><b>Ideas for future Improvements</b></p> <p>Take our musical performances out of school and into our local community.</p>
--	--	--

<p style="text-align: center;"><b>Pupil Voice</b></p> <p>Children enjoy their music lessons and like that they can read music, play glockenspiels and compose their own music. Children love that they are given a clarinet and that they have lessons for 2 years. Children can confidently talk about their music lessons and recall some of the songs that they have sung and used in their lessons.</p>	<p style="text-align: center;"><b>Data/Outcomes</b></p> <p>All children meeting the expected level for their year group apart from 3 children.</p>
