Dear Parent/Guardian

CHRISTMAS READING CHALLENGE 2020 @ THIRSK COMMUNITY LIBRARY

We are delighted to introduce our new free children's reading challenge similar to the summer reading challenges for this Christmas. Children from 0-11 years are invited to join the challenge to read 4 library books before 23rd December and will receive a Christmas Craft Pack created by Thirsk Yarnbombers and sponsored by the Rotary Club of Thirsk and a certificate.

Thirsk Community Library wants to encourage reading and is open for book collections from our door and Library at Home with home deliveries if you are unable to come to the library. If your child/ren would like to take part (it is open to all whether they are already library members or not) there are 5 ways to sign up:

1. Please complete the form overleaf and return to your school or to the library;
2. Return the completed form overleaf and email: library@thirskcommunitylibrary.org.uk;
3. Drop in at the library. Opening hours on our website: www.thirskcommunitylibrary.org.uk
4. Phone 01609 534589 and leave a message on our answerphone;
5. Facebook Messenger – send us a message to sign up.

We look forward to hearing from you. For further information please email:
library@thirskcommunitylibrary.org.uk

Regards,

Thirsk Community Library
