Adult Learning and Skills Service

Adult Learning Courses Online and beside you Every step of the way

"I want to get back into learning"

"I want to learn a new skill"

"I need to learn for work"

"I want to gain an English and maths qualification"

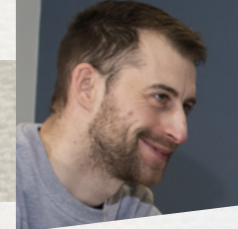

Learn for work

Improve your core skills,
health and wellbeing

Progress your career

Get creative

Be part of the Adult Learning online family

Here are just some of our online adult learning opportunities starting over the next few months.

We will continue to offer a wide range of exciting online courses to capture your interest and enthusiasm for learning during the next few months. Our learners who have already completed their online courses have rated our online provision as 'very good' throughout their learner feedback. We look forward to welcoming you to our online learning family.

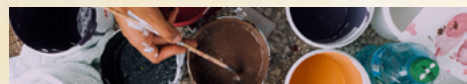

Helping you financially

To help make learning affordable for everyone, reduced fees are available and some of our courses, which support employment skills, are **FREE** if you are unemployed, receiving state benefits and actively seeking work. If your individual annual salary is less than £17,004, you could be eligible for free course fees (Level 1 or Level 2).

Price 1 - Price to pay if your annual income is less than £17,004 per year, or you are unemployed, receiving benefits and are actively seeking work.

Price 2 - Price to pay if you are in employment and your annual salary is over £17,004.

You must have been ordinarily resident in the United Kingdom continually for at least the last 3 years.

Sort your skills

Do you want to refocus on your future? Would you like to improve your online skills? Do you need to take a fresh look at job searching? Our sort your skills programme includes free online learning workshops, which you can choose to sign up to depending on your own requirements. Courses are running throughout the year. Please contact us for more information.

Digital Skills

We are running a series of free online modules to help you or a family member/friend get to grips with the digital world. Courses include: basic online photo editing, social media for beginners, getting started with Skype and Zoom, safe online banking and shopping, gaining confidence with Tik Tok and how to use a tablet.

Our accredited computing courses are available from November (please visit our website or contact us for more information).

Education and Training

Are you working as learning support staff in a school or do you want to pursue a new career in education? We offer a suite of accredited qualifications such as -

NCFE Cache Level 1 Preparing to Work in Schools

NCFE Cache Level 2 Award in Support Work in Schools and Colleges

NCFE Cache Level 3 Diploma in Supporting Teaching and Learning

All starting early November, contact us or visit our website for dates.
