

Rapid Recall

The National Curriculum expectation for Primary Schools across the UK is that, by the end of Year 4, pupils are capable of recalling all 12 times tables up to 12×2 .

Key Stage 1

By the end of Year 2, children are expected to recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.

Year 3

By the end of Year 3, children are expected to recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables.

Year 4

By the end of Year 4, children are expected to recall multiplication and division facts for multiplication tables up to 12×12

Becoming fluent in the recall of multiplication and division facts enables children to recall and apply knowledge rapidly and accurately when solving problems and carrying out written calculations.

The following pages provide information about what your child will be learning each half term in each year group. Please support your child with their learning each half term.

Year 5

<p>Autumn 15 weeks</p>	<ol style="list-style-type: none">1. Recall all times tables up to 12×12 in any order, including related division facts with growing fluency.2. Recall multiplication facts up to 10×10 and use to multiply pairs of multiples of 10 and 100
<p>Spring 12 weeks</p>	<ol style="list-style-type: none">1. Double any number with up to 1 decimal place2. Halve any number with up to 1 decimal place3. Decimals that total 1 and 10 (up to 1 decimal place)4. Doubles and halves of 2 digit decimals5. Decimals that total 1 (up to 2 decimal places)
