Newsletter 16 Monday 11th January 2021

Dear Parents / Carers

Thank you for your understanding and support last week with all the various events from ice to school closure to snow. I am hoping for a quieter week this week!

It is lovely to see all the hard work the children are producing in their learning. Please can I remind all families to return the online safety agreement by the end of today so that teachers can begin to organise live sessions – thank you.

Class News

Every week the classes will share the highlights of what they have been learning about with our families:

EYFS – This week in EYFS we have started to learn about winter. We have looked at our new book 'Winter's Sleep'. We have explored ice and made ice sculptures to hang outside. We have begun to look at why animals hibernate.

Class 1 – This week in Class 1, we have begun our learning about the history of flight. We have sequenced events on a timeline and designed our own flying machine. In English, we have begun to read 'The Way Back Home' and learn the story off by heart.

Class 2 – In Class 2 this week, we have we have begun reading our new class text 'Charlotte's Web'. We have looked at some of the main characters including Wilbur, Fern and Charlotte. In Maths we are continuing our learning on multiplication and division. Thank you for all your hard work remote learning this week.

Class 3 – This week Class 3 have been investigating the rainforest setting of our new guided reading book, 'Journey to the River Sea' and writing a book review of our last book. In Maths we have been learning about decimals and charts. Our artwork has been based around a rainforest scene.

Safeguarding Training

A reminder that there is no after school childcare on Wednesday this week due to staff safeguarding training.

Celebration Assembly

The following children have been awarded our weekly ribbons;

Ribbons

EYFS – The ribbon this week goes to someone who has worked hard on their super use of phonics when sounding out words. Well done to, Rosie!

Class 1 – This week the ribbon goes to someone who has produced some fantastic Maths work on tens and ones. Well done, Jacob!

Class 2 – This week the ribbon goes to someone for their wonderful English work this week. I think involving animals has helped! Well done, Evie M!

Class 3 – The ribbon this week goes to someone who has produced very good research work about rainforest plant, which was presented really well. Well done, Iestyn!

Thank you once again for the kind messages of support you have been sending through the class email system. The use of different delivery methods such as G-Suite will evolve through the coming weeks and, as a staff, we appreciate everything families are doing to support their child's learning.

Kind regards

J M Lyon

Head Teacher
