

Permission to Walk Home

We are aware that a number of pupils are currently making their way to school and home from school unaccompanied. To safeguard all young people at Dishforth CE Primary School, and in order for us to clarify this has been agreed with you as a parent, we require the permission slip below to be completed and returned to school. Pupils in Year 5 & 6 only are allowed to come to school/walk home unaccompanied.

I give permission for my child / children to walk to school on a morning and home at the end of each school day, unaccompanied -
