and the wings to fly”**

Headteacher's Message

Last week we were delighted to welcome Rev Gamble into school to lead her final Collective Worship of the school year. She talked to the children about one of our school Christian values, trust. Also on Monday Class 1 enjoyed a fantastic Forest School session where they made cobwebs, shelters and a very interesting shop! Thursday saw everyone moving up to find out what life would be like in school in September. I was really impressed with how everyone got on so well together and what an excited and enthusiastic atmosphere there was in school. It was lovely to welcome our new reception and some nursery starters into school for their second visit and also welcome two new members of the current year 2. Friday saw a lengthy but super celebration assembly which really showcased our children's amazing talents. From musical performances to videos from our Year 6s informing us about all North Yorkshire we were wowed and proud of everyone's achievements both in and out of school.

On Wednesday night, just before the big match we had a Governing Body meeting. It is always good to welcome Governors into school so that they can support and challenge the direction the school is taking. If you are interested in finding out more about being a Governor at the school, or supporting school through the PTA's fundraising and events then please don't hesitate to ask at the office for more information.

This is the last week of term and we finish for the Summer break on Friday. School will close at 2.30pm and there will be a final celebration assembly at 2.10pm, there will be no After School Club on that afternoon.

What have we been learning this week?

EYFS

This week in EYFS we enjoyed a visit from Liam, our local policeman. He came to talk to us about keeping safe in busy places over the summer holidays, as well as keeping safe when we are near busy roads. We have been learning about 3D shapes in maths, naming them and finding out what 2D shapes they are made up from.

Class 1

Class 1 have had a fabulous week using their cutting, chopping, peeling and grating skills. We made 4 soups, one for each season, and the children loved the challenge of planning and preparing. When we tasted the soups everyone had something complimentary to say and each soup gathered some devoted followers!!! Keep eating soup class 1 and remember, eat more soup!!!!

Class 2

This week in Class 2 we have been finishing many of our topics before the summer holidays. We absolutely loved making our packed lunches on Wednesday where we all sat and ate together afterwards. In PSHE we have looked at potential future careers and what we need to do to work towards them. We enjoyed our transition mornings where we met our new classmates and the year 4's went up to visit Miss Ungerechts.

Class 3

Class 3 have been busy with lots of lovely activities this week. We have done a French workshop, looking at being travel agents in France. We have learnt about countries and their names in French and their flags. We have also compared languages to French and to English to see similarities and differences. We have also created our geography videos about visiting Yorkshire. We have written a balanced argument about tigers being kept in captivity.

Ribbon awards

Celebrating our Success

The Values Award

EYFS	This week the ribbon goes to Jace for always trying his best in everything that he does. He is a super friend to others and can always be found being kind and considerate.
Class 1	The ribbon for Class 1 this week goes to Rosie who showed great maturity choosing her own task of making a pencil. She carefully selected her materials and worked hard problem solving to bring her design to life. She then wrote instructions so that others could also make their own pencils. Super work Rosie!
Class 2	The ribbon in Class 2 this week goes to Elodie. Elodie is a kind and caring member of Class 2 and this week I have noticed her helping younger children in break and lunchtimes. She always works to the best of her ability and is a pleasure to have in class. Well done Elodie.
Class 3	The ribbon is going to someone who has been so incredibly helpful this term. He has found jobs in the classroom and has been wanting to take on more responsibility, ready for secondary school. Well done, Tyler

Florence nominated Lily for compassion because all week she had been helping her with everything, including tidying up and because she had been incredibly nice and friendly to her.

A free, confidential 12 session programme to fit around your family to support children and young people aged 4 - 19 years, to achieve and maintain a healthy lifestyle.

Providing personalised support, your Health and Wellbeing Coach will guide you through your journey to keep you on track to achieve your healthy lifestyle goals.

Together we will explore a fully holistic approach to becoming more active by making small positive changes without breaking the bank.
